(*Italics* refers to Antonio E. Puente self-identity)

(Underline is core initiative)

Governance of APA

- **Transparency, integrity, and efficiency (1)**
- **Better interface with and across States (e.g.- reduce membership fees if you are a part of a State Association) (2)**
- **Good Governance Implementation and/or revision (3)**
- Increase ECP membership and involvement
- Governance should reflect membership demographics

Membership

- **Recruitment of new and departed members (1)**
- **Emphasis on engagement of existing members (e.g., - surveys, social media, apps) (2)**
- **Seamless transition from student→ECP→mid-career, etc. (3)**
- User-friendly websites for the public and members
- CE expansion in type (e.g., webinars) and scope (e.g., professional & scientific)
- Restructure membership fees (e.g. APA PO)
- Increase underrepresented groups (demographically and theoretically)

International

- **Presence (with special focus on the Americas and smaller countries) (1)**
- **Collaboration (e.g., Memorandum of Understanding) (2)**
- **Mini summit @ 2017 Conference (e.g., Heads of national associations) (3)**
