Current Payment Problems

- Continued challenges with compliance officers relative to the use of professional and technical testing codes on the same day
- Shifting from salary to productivity
- When compensated by productivity shifting from CPT codes to RVUs

Physician Fee Schedule

- CMS/Medicare payment coverage system
- Yearly, released every November
- For 2017
 - .5% increase before reduction
 - Overall result = 2% loss because sequestration/Congressional budget cuts in 2013
